

Destiny Discover Websites is a database that allows students to search more than 105,000 trustworthy, relevant websites in one convenient search, while filtering out questionable and irrelevant content.

This document provides instructions on how to access and utilize this great research tool. Additionally the QR code to the right \rightarrow will take you to a video walk through of how to use this tool as an alternative to this document.

You should now find yourself on the main "Can Peace Lead to War?" page. From here click the "Resources" tab.

Scroll down the "Resources" page until you see the "Destiny Discover" picture. Click on this picture and you'll be directed to Destiny **Discovery Website via the library catalog.**

Destiny Discover should open in a new tab (preselected to websites) which should look like the photo to the right.
